NEVER ENOUGH

Words and Music by BENJ PASEK and JUSTIN PAUL

Moderately slow

I'm tryin' to hold my breath
Let it stay this way
Can't let this moment end
You set off a dream in

Pedal ad lib. throughout
me Get-tin' louder now... Can you hear it echoing?

Take my hand Will you share this with me? 'Cause darling, without you all the shine of a thousand spotlights,

all the stars... we steal from the night sky will never be enough.
Never be enough, Towers of gold are still too little, These hands could hold the world, but it'll never be enough.

Never be enough for me, Never, never
for me, Never enough
for me, Never enough

All the shine of a thousand spotlights, all the stars we steal from the night sky, will
nevr _ er be e - nough

Tow-ers of gold _ are still _ too lit - tle These hands could hold the world, but it'll

for me _ Never, never
